History of St. Joseph

St. Joseph is the foster father of Jesus Christ. He was a carpenter by profession. Jesus was conceived by the power of the Holy Spirit. This revelation from God was given to Joseph by an angel in a dream. Being a devote person he obeyed God's Word zealously. Therefore he is well known as "Righteous person or the Just man" in the Gospels.

St. Joseph Loved Children. He accepted Child Jesus as his own child and nourished him with love and care. He protected child Jesus from all danger being killed by wicked king Herod. To save the life of Jesus, he even risked his life by fleeing to Egypt by night on foot.

St. Joseph is good educator. He arranged for the education of Jesus at Nazareth, the small town where he lived with his family. As a teenager, boy Jesus was trained as a Carpenter. Even during his preaching ministry, people identified Jesus to be the son of a carpenter. Joseph the carpenter is a great role model to our society, who teaches us the dignity of work and good living. We remember our patron, St. Joseph the worker on 1st of May every year. His noteworthy title "the Just man" and His motto "Any type of work is honourable".

St. Joseph is our model in educating our children. He teaches us to unfurl God given unique talents in each child. Dear St. Joseph bless our children with the gifts of knowledge, wisdom and righteous life.
